

TecART / Dimmer Single Channel 2.5K

DIMMERS AND POWER DISTRIBUTION

The Single Dim is an Australian designed and manufactured high performance dimmer for the professional entertainment and production market. A number of options are available, the main option being the inclusion of an LED display and keypad, to enable extended functionality. The unit has a slider for local dimming or the option of DMX control.

FEATURES

- 13A thermal-magnetic circuit breaker protection of outputs.
- DMX status LED.
- Dimmer curves.
- DMX-512 control.
- High rise time toroidal chokes.
- Single phase operation.
- Easy to change Triacs.
- Supplied with standard 10A outlet and power feed cable.
