TUNGSTEN LIGHTING

The Tungsten Space Light is available in 2 versions:

- 3 lamp 800W total 2400W on 1 circuit.
- 6 lamp 800W total 4800W on 2 circuits.

The 3 lamp unit is able to be run from a standard 2500W dimmer channel and the 6 lamp unit can be run from 2 x 2500W dimmer circuits.

The above units come complete with a black skirt, white skirt and suspension chains.
