

Studio LED Panels

Overview:

The Studio LED Panel is a multi-area light, which is based on LED technology and is ideal for photo and video.

The LED panel is characterized by its light weight, low power consumption and the easy adaptation to different lighting situations.

The LED panel is available in 600, 900, 1200 or 2000 Led's. There is a choice of either Single or Bi-Colour.
