

/ LED Tube RGB 2FT Battery

LED LIGHTING - TUBE

This LED tube offers soft light and colour light options, with a full range of colour combinations available. Multiple tubes can be synchronised in a set with the included sync cord, giving the ability to build a wall of light. The light can run on both the included mains power adaptor and the built-in battery. Supplied with a padded carry case and mounting clips.

FEATURES

- Control knobs to dial brightness, white colour temperature and in RGB mode, hue.
- Built-in special effect modes, including colour cycle, flash and storm.
- Can be controlled through a mobile app with the NanGuang Wi-Fi control.
